Wonderful Soda--That's what they all say

—and why wouldn't they as it? It certainly is the most wonderful sods we have ever seen, and probably the very best sods that can be produced today. That is the reason. First, purity of tagredienis, then enreful manipulation, then a sanitary fountain and the cleanest and sentest service. That's what makes it good. That should appeal to you, and induce you to meet and treat at our fountain, now and for the balance of the summer. Any flavor you want; all the old-timers, and the newest ones.
